Peck's Report Stirs Up the Lotge." Animals,

BUT HE HOLDS HIS GROUND

Claiming That It Is Correct Although Out of Harmony With His Party's

Platfacro.

In his annual report Labor Commisstoner Peck, a democrat appointed by Governor H.E. says: "The returns from 6,000 manufacturers in New York state show that the McKinley bill has increased the wages of the workingman, and further says:

"I rather expected my report would cause some comment, but it is all nonsome to call it a political document. I started this inquiry in December, 1830, so you see there was no thought of the present campaign in laying out the work. The tariff question was taken up because it has come to be one of the greatest mamount to the workingmen, In whose interest my bureau was establisted. Now, I am a democrat-a Hill democrat, if you will-and I began thes inquiry with the belief that the re- Generally Favorable Reports From the wall would vindicate the democratic tand position. The first returns came from the six industry and were pleas- and crop reports from the latest bulleand to my way of thinking.

No Political Bias. But I am free to admit that the re-port on the whole is not in harmony heavy rains, but more needed; threshwith the democratic platform, so far as the tar if is concerned. However, my things as I find them, not as a reckless construed. There is no political mas about any of my reports, nor do I be-here there is any of the reports of any routing and falling off. may is that the statements of my report able except in southern sections of minutes. She are three pears, looked are based on actual confidential letters. received from \$,000 representatives of wholesals manufacturers of New York | unharvested crops. state. The result shows me that the leading democratic speakers on the colder than normal. Excessive rain tariff are in error as to the effects of caused much damage. Harvesting the McKinley bill. The figures in my report speak for themselves, and there is no getting away from them."

DISMAY OF THE DEMOCRATS. Peck's Report Causes a Great Sensation Amongst Them.

siderable talk among the politicans to-day over the report of Labor Commis-ing in condition, but backward and another, because she supposed she wasout, and abe said to Mrs. Churchsomer Peck, touching the effects of the McKinley faw. This report made out that since the law went into effect manwages had risen, and there had been fewer strikes than formerly. The pubfrom a democratic official caused a tions.

sensation among party men. had come out even at this early stage of the campaign, because they felt that while it might work no considerable injury to Mr. Claveland's cause, it could certainly do no good. Taking the mildest and friendliest view of the matter they thought that perhaps somebody had blundered badly, but in the cases of the great bulk of the critics it was impossible to remove the impresson that there had been treachery somewhere. A well-known member of the democratic organization said:

Very Embarassing. "It is awfully embarassing. democratic speakers have been advised to make the tariff issue the chief feature of what they will have to say, and here comes out a report from a democrane official contradicting the very arguments upon which the organiza-Cleveland. Why, the republicans will at once take it up and publish it broadess through the country. I have no signate myself that many things which Mr. Peck says can be refuted, but it well be very embarassing for me, confronted by flux report, to get up and talk to the rotors about the harmful effects of the McKinley law. Do I think that Sonator Hill had anything to do with the appearance of the religh to believe that he had,"

Queers the Stamp Spragers.

One phase of the trouble created in democratic ranks by this report of floor sum oner Peck relates to the effect it is apt to have open democratic cam- about to place him in jail he begged for lass been killed, been stabled." page orstory in this state the coming Dall. Apparently the demouratic stamp speakers had intended to employ Mr leveland's bariff where as their chief weapon of attack against the republiours during the compage, and many of the specines had been already prepermit for use as snor as occasion arose. In view of the ductrines embraced in the report of Commissioner Peck, democratic oration are in a quandary as to what course to pursue.

ated States Sepator Aldrich of exponence of the pariff name in the nabened legislature, telegraphed to Al-Puch's report. Smiler requests were also received from Charman Carter, of the extional committee, and from the chairman of the New York republican state busineston.
